This passage is for question 1 - 5

5 of 5 points

Technology has changed the way people communicate. Social media platforms allow instant messaging and video calls, connecting people across the world. Despite these advantages, technology can also lead to reduced face-to-face interactions and a sense of isolation. Therefore, it is important to use technology responsibly and maintain personal relationships. Communication skills, such as listening and understanding emotions, remain important even in the digital age.

✓ 1. What is one advantage of technology mentioned in the passage? \* 1/1
